

Channel End User Terms: Software

1. INTRODUCTION

1.1 By using the CA Software and/or acknowledging receipt of the Notification Form, the end user ("End User" or "Customer") agrees to these Channel End User Terms for CA Software and the Notification Form ("Software Terms") which specify terms and conditions which apply to CA Software that CA Europe Sàrl ("CA Europe"), located at Building A, Lake Geneva Centre, Route de la Longeraie 9, 1110 Morges, Switzerland, will license to Customer. - 11.1. CA Europe will indemnify, defend and/or, at its option, settle any third party claims that Customer's use of the specific CA Software licensed or purchased by Customer under these Software Terms infringes any valid US patent or copyright within the jurisdictions where Customer is authorized to use the CA Software at the time of delivery. The indemnifications contained herein shall not apply and CA Europe shall have no liability in relation to any CA Software produced by CA Europe or any of the CA group of companies at the specific direction of Customer. The foregoing provisions state the entire liability and obligations of CA Europe regarding claims of infringement, and the exclusive remedy available to Customer with respect to any actual or alleged infringement or misappropriation of any intellectual property or other proprietary rights.
- 11.3. Customer shall indemnify CA Europe against any claim that any data, materials, items or information supplied to CA Europe or any entity within CA group of companies under the Software Terms infringes any US patent, copyright or trademark within the jurisdictions where CA is provided with such information.
- 11.4. The above indemnities are contingent upon: (i) the indemnified Party providing prompt notice of any claim of infringement and assistance in the defense thereof, (ii) the indemnifying Party's sole right to control the defense or settlement of any such claim, provided that the settlement does not require a payment or admission of liability on the part of the other Party, and (iii) the indemnified Party not taking any actions or failing to take actions that hinder the defense or settlement process as reasonably directed by the indemnifying Party.

12. LIMITATION OF LIABILITY

- 12.1. Neither Party excludes or limits its liability for damages caused by gross negligence or wilful misconduct or for death or personal injury caused by the gross negligence or wilful misconduct of that Party.

13.3. Termination does not release either Party from any liability which, at the time of such termination, had already accrued to the other Party or which is attributable to a period prior to such termination, nor preclude either Party from pursuing any rights or remedies it may have under law or in equity with respect to any breach of these Software Terms.

If Customer and CA Europe are unable to resolve the Dispute within thirty (30) days after the referral of the Dispute to them, then each Party will appoint one (1) senior executive who is not involved on a day-to-day basis with the subject matter of the Software Terms and will negotiate the matter in good faith in an effort to resolve the Dispute without the necessity of any formal proceedings.

14.2. Formal proceedings for the resolution of a Dispute may not be commenced until the earlier of: (i) the good faith determination by the appointed senior executives that amicable resolution through continued negotiation of the matter does not appear likely; or (ii) thirty (30) days following the date that the Dispute was first referred to the appointed senior executives. The provisions of paragraphs (i) and (ii) will not be construed to prevent a Party from instituting formal proceedings to the extent necessary to avoid the expiration of any applicable limitations period or to pursue equitable rights or injunctive remedies deemed reasonable necessary to protect its interests.
